

CENTRAL WISCONSIN FARM PROFITABILITY EXPO

Discover how on-farm conservation practices can increase your farm's profitability

The Central Wisconsin Farm Profitability Expo is working to encourage profitable farming by building resiliency, diversifying farming operations, reducing inputs, and increasing farmer return on investment.

Attendees at the expo will learn about:

- Conservation practices farmers can use to increase profitability and self-sufficiency
- How to be good stewards of the land
- Edge of field practices
- Cover crops - what works and what hasn't
- Challenges farmers have experienced while adopting new conservation practices
