November 2023 Activity Report
REPORTED TO COMMITTEE: 12/11/2023

1. WARNING & COMMUNICATIONS

- a. A spill of an unknown amount of filtered water with minerals was reported by ND Paper on November 2, 2023. Paper mill was doing construction and there was a dewatering process and when the groundwater was being discharged it was noted there was an orange substance in it that may be iron.
- b. A spill of 900,000 gallons of sewage was reported by Marshfield Wastewater on November 8, 2023. At 8 AM the employees noticed that the flows weren't matching up so they tracked down the issue and found a partially blown force main on a lift station. They are unsure what caused the blown force main at this time. Soil was impacted, and there was a storm runoff stream that the sewage is going in to. This stream leads to Squaw Creek. DNR notified by phone and email.
- c. A spill of 7 gallons of Mineral Oil was reported by Alliant Energy on County Rd. O in the Township of Rudolph on November 9, 2023. There was construction going on in the area and the pole was taken down to do some work. The oil was contained to a grassy ditch and Northshore Environmental was hired for the cleanup.

2. FEDERAL/STATE FUNDING

OFFICE OF CORONER

David A. Patton

DATE: December 02, 2023
TO: Wood County Public Safety Committee

Remarks:

It is a rarity that people contact me to say "thank you" for the way our deputies performed their duties. This past month, I received two calls wanting me to say thanks to Chief Deputy Coroner Jason Joling and Deputy Coroner Mark Meyers. Both families wished to express their thanks for the professionalism, compassion and assistance when they were dealing with the loss of a loved one.

We also received a thank you from Sharon Buettgen of Buettgen Funeral Home. When the fire broke out recently at their WI Rapids facility, I heard the initial page from dispatch. Knowing they were out of the area, I contacted them and offered our assistance in removing any decedents they may have at that facility. Fortunately, while they did have a service earlier in the day no decedents were in the facility at the time of the fire. She was very thankful to us and other local funeral homes that offered assistance, if needed, in the removal, transport and storage of decedents until other arrangements could be made.

Respectfully Submitted,

David A. Patton
Wood County Coroner

Notes: The notes reflect the current month for the report numbers

#2 – Calls for Service: North end Wood County received a total of 64 calls for service. They also responded to a total of 6 residential scene deaths. The south end received a total of 23 calls for service and responded to 6 scene deaths. I realize this seems like a disparity in reporting, but it isn't. On the north end, MMC pages us on all deaths in the hospital, whether a coroner case or not as that is their policy. Riverview only contacts our office when they suspect it is a coroner case. Further, hospice agencies on the south end only contact us with deaths when the individual is a cremation that will be leaving the county whereas on the north end, hospice agencies contact us for all deaths as well. I have made several attempts to correct this as I would prefer the north and south to operate the same for consistency. However, with vast nursing changes and death packets made by these facilities with old forms it seems it is an uphill battle. I received a total of 10 calls (not related to deaths when I am on call) requesting prior reports and general questions.

#4 – Falls: Last month, we had one elderly gentleman (86 years) who had fallen and struck his head. He unfortunately developed significant intracranial bleeding and succumbed to this injury.

#11 – Other: Last month, I had a request from a family who wished to relocate her son from a burial plot in WI Rapids to Marshfield to be placed with other family members. These involve insuring that the correct next of kin is requesting the move and issuing a disinterment permit. Some counties charge for this but Wood County does not. I personally have issued 2 and have 1 more possibly in progress from WI Rapids to Chicago since I became interim coroner when Coroner Brehm stepped down.

#12 – Other: We currently have 1 case in "pending" as we wait for toxicology. This is a natural death that is suspected from diabetes related issues. This will involve testing two fluids – blood or urine and vitreous fluid to obtain glucose and ketone levels in these fluids.

#15 – Autopsies: This past month, we had 1 autopsy that occurred very early in the month. This unfortunate case involves the death of a 1-month-old. Currently, this case remains under investigation due to several circumstances. Dr. Corliss and I continue to work with physicians of the decedent and his mother to give the family the closure they deserve to this unfortunate case. There is nothing nefarious with this death, we are determining if it is accidental or natural in manner.

INTENT & SYNOPSIS: To increase the Cremation Fee and Death Certificate Signature Fee in the Coroner's office

FISCAL NOTE: Approximately \$6,500 per year increase in revenues

WHEREAS, the cost of supplies needed to properly conduct the office of coroner are increasing at a rapid pace, and,

WHEREAS, Wisconsin Statutes allow for an increase in Coroner fees in an amount equal to the consumer price index of the previous year, and,

WHEREAS, the last increase of these fees occurred in 2022, and,

WHEREAS, the Public Safety Committee, having reviewed the request of the Coroner, believe it is in the best interest of Wood County to increase these fees at this time.

NOW, THEREFORE BE IT RESOLVED, the Wood County Board of Supervisors approves increasing Cremation Fee from \$105.00 to \$112.00 and the Death Certificate Fee from \$105.00 to \$112.00, effective January 1, 2024.

WHEREAS, from 2017-2021, Wood County had 369.5 overdose ambulance runs per 100,000 persons, which is more per capita than most other Northern Region counties, and

WHEREAS, in 2021, the opioid overdose fatality rate in Wood County was 14.9 per 100,000 persons, which is slightly higher than the State rate of 14.8, and

WHEREAS, 2021 State Act 57 created Section 165.12, Wisconsin Statutes, relating to the settlement of all or part of the litigation, and

WHEREAS, Section 165.12(4)(b)2, Wisconsin Statutes, provides that the proceeds from the Settlement Agreement must be deposited in a segregated account, and may be expended only for approved purposes for opioid abatement, as provided in the Settlement Agreements, and

WHEREAS, in Resolution No. 17-9-11, the Wood County Board of Supervisors authorized the County to enter into an engagement agreement with von Briesen & Roper, s.c., Crueger Dickinson LLC, and Simmons Hanly Conroy

LLC (the “Law Firms”) to pursue litigation against certain manufacturers, distributors, and retailers of opioid pharmaceuticals (the “Opioid Defendants”) in an effort to hold the Opioid Defendants financially responsible for the County’s expenditure of vast sums of money and other resources to combat the opioid epidemic, and

WHEREAS, Resolution 21-12-11 authorized and directed Wood County Board Chairman Pliml to enter into the Settlement Agreements with McKesson Corporation, Cardinal Health, Inc., AmerisourceBergen Corporation, Johnson & Johnson, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc., to execute the MOU Allocating Settlement Proceeds and the MOU with the Attorney General, and

WHEREAS, Resolution 23-3-8 authorized and directed the Corporation Counsel to execute: the Settlement Agreements with Teva, Allergan, CVS, Walmart, and Walgreens, an Allocation MOU (Addendum) and the AG MOU, and

WHEREAS, the Wood County Health Department facilitated the work of the Wood County Opioid Task Force, comprised of multiple county departments and community organizations, resulting in recommendations for allocating the Opioid Settlement Funds, and

WHEREAS, the Wood County Opioid Task Force created an Opioid Settlement Plan, attached hereto.

Wood County Opioid Settlement Plan December 2023

Background

Over 500,000 people have died from opioid overdose since 1999. Unfortunately, the crisis worsened during the COVID-19 pandemic. An estimated 106,000 people died from opioid overdoses in 2020, more than in any other year (Johns Hopkins Bloomberg School of Public Health).

On February 25, 2022, the Wisconsin Department of Justice announced the final approval of an agreement with the nation's three major pharmaceutical distributors (Cardinal, McKesson, and AmerisourceBergen) and Johnson & Johnson. Payments from the distributors will continue for 18 years. Payments from Johnson & Johnson will continue for nine years. Wisconsin Act 57 allocates 30% of settlement proceeds to the Wisconsin Department of Health Services (DHS). The remaining 70% of the settlement proceeds will be provided to local governments that were party to the litigation. Act 57 requires DHS to submit a plan to the Joint Committee on Finance for expending opioid settlement funds by April 1 annually. Wood County expects to receive approximately \$1.5 million over 18 years from this initial settlement. Future settlements from additional sectors are also expected. Local settlement dollars (70% to local governments) do not have a timeline for when funds must be spent.

In November 2022, Wood County convened an Opioid Task Force made up of several community stakeholders to discuss how Wood County could best utilize the incoming settlement dollars. Using *Exhibit E: List of Opioid Remediation Uses*, the Task Force completed a community assessment of existing programs, resources, and efforts already in place, while identifying gaps in resources, services, and funding (Appendix A). The Task Force held additional meetings to complete and utilize findings from the assessment to form recommendations on how to allocate funding from Wood County's Opioid Settlement, using the categories identified by the Wisconsin Department of Health Services: Prevention, Harm Reduction, Criminal Justice, Treatment, Recovery, and Communication/Stigma Reduction.

Task Force Members (past and present):

Wood County Sheriff Department: Sheriff Shawn Becker, Chief Deputy Quinten Ellis, Lieutenant Scott Goldberg

Wood County Human Services: Mary Solheim

Wood County Health Department: Sue Smith, Kristie Egge, Ashley Normington, Jacob Wagner

Marshfield Clinic Health System: Meagan Barnett, Emily Loertscher

Family Health Center of Marshfield: Danielle Luther

Three Bridges Recovery Wisconsin, Inc.: Elizabeth Walter, Megan Birginal
Wisconsin Rapids Public Schools: Craig Broeren
Wood County Adult Drug Treatment Court: Ryan McMillen
Wisconsin Rapids Fire/EMS: Division Chief Justin Pluess
Wood County Criminal Justice: Caitlin Saylor
Wisconsin Department of Corrections: Adam Stublaski
Marshfield Area Coalition for Youth (MACY) Drug Task Force: Elizabeth Gosse, Officer Derek Iverson

Wisconsin's plan for the State's 30% Share of the Opioid Dollars:
State Fiscal Year 2023 approved budget (\$31 million)

The strategies listed below were approved by the Joint Committee on Finance.

- School-based prevention programs: \$250,000
- After-school prevention programs: \$750,000
- NARCAN® and fentanyl test strips: \$5,000,000
 - Wood County awarded funding through NARCAN Direct Program
 - Wood County awarded funding through Fentanyl Test Strip Direct Program
 - Wood County awarded funding for 2 Public Health Vending Machines
- Medication-assisted treatment: \$2,000,000
- Hub-and-spoke health home pilot program: \$1,000,000
- Room and board costs for Medicaid members in residential substance use disorder treatment: \$2,500,000
 - Wood County awarded \$58,550
- Renovations or construction of care and treatment facilities: \$10,000,000
- Overdose alert system: \$500,000
- Tribal nation needs: \$6,000,000
 - *Ho-Chunk Nation awarded \$553,421 (*part of tribal nation falls within Wood County)
- Law enforcement agency needs: \$3,000,000

State fiscal year 2024 Plan (\$8 million)

Wisconsin DHS expects to receive \$8 million in opioid settlement payments in state fiscal year 2024. The Joint Committee on Finance approved a modified version of their plan for this funding June 16, 2023. The plan invests:

- \$2,900,000 for the distribution of fentanyl test strips and NARCAN® through our Fentanyl Test Strip Direct Program and NARCAN® Direct Program, as well as leave behind programs operated by emergency medical services agencies.
 - Wood County awarded funding through NARCAN Direct Program
 - Wood County applied for Fentanyl Test Strip Direct Program – awards not announced
- \$2,500,000 to cover room and board costs for Medicaid members receiving residential substance use disorder treatment.
- \$2,000,000 to support the cost of medication-assisted treatment for people with an opioid use disorder.
- \$300,000 for a substance use disorder treatment directory known as Atlas, which is managed by Shatterproof.
- \$300,000 for training surgeons on practices to prevent opioid misuse following surgery through a program operated by the Surgical Collaborative of Wisconsin.

Wood County Opioid Task Force Recommendations

The Task Force recommends allocating all of Wood County's Opioid Settlement allocation received between now and September of 2024 to the construction of a Federally Qualified Health Center in Wisconsin Rapids. This will amount to \$550,000 in the fall of 2024.

Funds will continue to be dispersed through 2038. The most current estimated schedule shows about \$148,000 to be distributed in 2025, followed by \$89,000 in 2026. The amounts remain similar to that until about 2033, when distributions decrease to about \$64,000, ultimately ending with \$52,600 in 2038.

The Task Force recommends the following allocation plan for Opioid Settlement funds received in 2025 forward:

- Prevention- (could include Social Determinants of Health - education, housing, transportation, neighborhood and built environment, economic stability) 15%
- Harm Reduction 15%
- Criminal Justice 15%
- Law Enforcement 15%
- *Treatment 0%
- Recovery 15%
- Community Grants 15%
- Evaluation/Communication/Stigma reduction 10%

*2026 and beyond will include a percentage allocation for treatment, in 2025 zero percent was allocated with 100% of the funds going to this priority in 2024.

Annual Plan Development and Approval

The Task Force will meet in June 2024 to develop a budget for 2025 that will be shared through the Health and Human Services Committee, Operations Committee, and County Board, through the regular budget process. Members of the Task Force can also bring it to their oversight committees before final approval (for example, Sheriff can share plan with Public Safety Committee, and the Criminal Justice Coordinator can share plan with Judicial and Legislative Committee). This process will be done annually through 2038. The Task Force will put together detailed plans for each priority area with a line item budget for each category of funding that will be identified based on the above community assessment. This annual budget process will allow for fluctuations in funding received and the potential for adding in additional funds from new settlements.

For the Community Grant allocation, additional individuals will be asked to participate in determining funding awards, with an effort to include those who serve or are led by people who have lived experience. The Task Force will create a simple Request for Applications that organizations can complete to apply for funds. The Task Force will review the submissions with the plan of releasing funds at the beginning of each calendar year. The Task Force may adjust the percentages based on funding requests.

TRAINING (MONTHLY) –

During the month of November Sergeant Arendt with K9 Timo, Sergeant B. Christianson with K9 Bingo and K9 Ace, and Deputy Pidgeon with K9 Sig trained with the Wisconsin Rapids Police Department and Nekoosa Police Department K9 units for monthly training. During this training, teams focused on narcotic/bomb detection (buildings, open area, and vehicle), building search for person w/out apprehension, open area search for person w/ apprehension, tracking, and practicing various medical holds and pins. Training venues included WOSO/WRPD range, Wisconsin Rapids owned land, and The Ridges Golf Course. K9 Rosco and Deputy Beathard trained 8 hrs with Marathon County training group in Marshfield. K9 Rosco during this training focused on narcotics inside buildings, CBD and THC distraction, apprehension on lead, building searches, storage locker searches and tracking.

TRAINING (INDIVIDUAL) –

- K9 Timo completed 1 hour of on duty training. During this hour, K9 Timo trained narcotic detection and obedience around his reward.
- K9 Rosco completed three hours of on duty training. During this time K9 Rosco completed obedience drills and narcotics.

USEAGE –

- Deputy Pidgeon and K9 Sig assisted with school search of Lincoln High School no indications.
- Sergeant Arendt and K9 Timo had six deployments. Four of these deployments were for narcotic sniffs of vehicles. One of these sniffs resulted in no indication and the other three resulted in indications and vehicle searches. These searches revealed 1.4g methamphetamine

WOOD COUNTY SHERIFF'S DEPARTMENT

SHAWN BECKER, SHERIFF

57.8g of marijuana, illegally possessed Rx medications, and drug paraphernalia. One deployment was for a school search at LHS. The final deployment was a track of a welfare check subject who abandoned his vehicle on family property an unknown amount of time prior to our arrival. No individuals were located following a lengthy search of the property.

- K9 Rosco and Deputy Beathard had three deployments during November. Two deployments were school searches of LHS and Pittsville High School. K9 Rosco had one indication at LHS on a vehicle in parking area. Nothing of evidentiary value was located. K9 Rosco had one indication inside the building on a backpack at Pittsville. Nothing of evidentiary value was located. K9 Rosco had two vehicle deployments with MFPD. K9 Rosco indicated on both vehicles. Subsequent searched were conducted. One vehicle THC was located during the search but not enough for an arrest or citation.

DEMO/COMMUNITY –

- Deputy Pidgeon and K9 Sig attended a K9 Demo for Preville Bank in Wisconsin Rapids

ADDITIONAL INFORMATION –

- All Wood County K9 Handlers assisted WRPS and WRPD with a school narcotic search of LHS.

Respectfully,

Nathan Dean

Security Services November 2023 Report

For the month of November 2023, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	109
O.C. -	7
Misc. Items -	9

The miscellaneous items that were located were an empty holster, five (5) pairs of scissors, a screwdriver, a wrench and a long metal file.

Security Services screened 8,234 people entering the courthouse in November. Security Services had 34 security requests from different departments within the Courthouse for the month and we had two (2) jury trials. We also served three (3) civil process paper, completed a sheriff's sale and fulfilled five (5) warrants in October.

Security Services handled seven (7) complaints in the jail this month. The reports were for criminal damage to property X 2, a fight, Bail Jumping, a sexual assault, threats and a situation in which an inmate was tased.

Additionally, Security located a lost cell phone and was able to identify the owner and return it to him.

During the Month of November, I utilize part-time employees for 13.5 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
