OFFICE OF CORONER

David A. Patton

DATE: May 07, 2025
TO: Wood County Public Safety Committee

Remarks:

I am still looking for an additional south end individual for Deputy Coroner. With Chief Deputy Coroner Joling moving up north, he will be stepping down. While Deputy Coroner Meyers takes a lot of call time hours, he does work. My goal is to find someone with daytime availability.

We are in the process of moving supplies from the storage unit into the new office. Space is going to be tight with all our supplies to store with the cooler in the office. I had a discussion with Investigative Lieutenant

Goldberg about an additional lock for the cooler and storage. We will be adding an additional lock to the cooler for security. He also believes we may be able to utilize some space they may have to store our mass fatality equipment, which would mean the office storing the day-to-day supplies utilized. This should eliminate the storage issues.

Respectfully Submitted,

David A. Patton

Security Services April 2025 Report

For the month of April, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	105
O.C. -	21
Misc. Items -	6

The miscellaneous items that were located were two (2) pairs of pliers, a screwdriver, a self-defense punch, a pair of scissors and a loaded 9mm magazine.

Security Services screened 9,355 people entering the courthouse in April. Security Services had 65 security requests from different departments within the Courthouse for the month. We also served 11 civil process papers, fulfilled 10 warrants and had 2 Jury Trials.

Also, for the month of April, Security assisted with the election night that was held on April 1st. We also executed an eviction on April 28th.

We have now moved fully into the new sheriff's department and are still working things out to make everything run as smooth as possible. We are now starting the second stage of this project, the demolition of the old jail. With this stage I foresee some disruptions for the courthouse via noise and the number of contractors needed to be present in the building.

I want to encourage everyone that if they see a problem to please let Security know about it as soon as possible.

During the Month of April, I utilize part-time employees for 29.5 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
