CHILD SUPPORT
AGENCY

DECEMBER 2023

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

Prepared by Child Support Director Brent Vruwink

- As we move into December we will begin work on the Cooperative Agreements for 2024. The Cooperative Agreements are agreements made with other county departments that allow us to reimburse them for services they provide to the Child Support Agency. We currently have agreements with the Corporation Counsel, Family Court Commissioner, Clerk of Courts, District Attorney, Dispatch Department and the Sheriff's Department.
- I attended the Northern Region Leadership Meeting on November 8th.
- I have been working on a Remote Work Policy for the office that ensures we are in compliance with IRS Publication 1075. Although we don't generally have employees work remotely we need to have a policy in place that protects IRS information. IT has done a good job making sure our systems are in compliance with IRS regulations.
- I will be attending the WCSEA Board meeting on December 7th.
- We started the first month of the Federal Fiscal year with improved performance in current support collections. We collected 81.99% of current support, which is an increase of .97% compared to October of 2022.
- The current IV-D case count is 3,623.

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE
November 28, 2023

1. Contracts. At a recent department head meeting, I shared that I intend to put together an internal training program on contracts and other agreements. There are a number of County staff who spend a lot of time working on contracts and I think that we can all learn from each other's knowledge and experiences.
2. Residential Options Committee. The County is still awaiting a decision from the State as to whether DHS finds the placement we identified as acceptable. If not, we have a solid backup for the residential options committee to utilize, as there is now a vacancy in a prior placement.
3. Wind Farm in Marathon County. Due to an interesting history that I won't get into, Wood County owns land in Marathon County that we lease to the University of Wisconsin Board of Regents at \$1/yr. for agricultural research purposes. Recently, Alliant Energy advised that they were considering putting up a wind farm, part of which might extend onto this County property and they were wondering if the County would be willing to grant an easement for said use. Apparently we were told it wasn't a big deal and there might not even be any windmills installed on the County-owned land. I was asked to review a draft easement that would allow Alliant Energy to proceed with its project. In reading the draft easement, I concluded that it was more like a deed than an easement as it conveyed almost all control of the property to Alliant Energy. It was simply unacceptable both as a property owner and as an owner that leases the property to a third party. I am reporting back to the CEED Committee on my review of the easement. I bring the matter to your attention to point out that what people say a document addresses often isn't accurate and we all need to have a healthy level of paranoia to protect the County's interests.

Drug Court

Current participants: 21

Pending Admissions: 1

2023 Terminations (Year to Date): 11

2023 Graduations (Year to Date): 12

Pending Referrals: 1

The 2024 TAD Grant application was submitted this month.

As of 11/30/23, the full-time drug court case manager is on leave; the Criminal Justice Coordinator will be covering her duties, along with the part-time case manager.

The Drug Court Project Evaluation was completed and will be presented on December 11th at 11:00, prior to staffing.

Comprehensive Opioid Stimulants and Substance Abuse Program Grant (COSSAP)

The job posting for the part-time MAT case manager is listed on the Wood County website; the target is to hold interviews in December and have someone start in January 2024.

Opioid Task Force

The Criminal Justice Coordinator has been participating in the opioid task force meetings; Sue Smith from the Health Department will be presenting on behalf of the task force about the task force's plan and activities.

The resolution being presented today to allocate opioid settlement funds is supported by the Criminal Justice Department. Family Health Center is the main provider/contractor for the COSSAP MAT Grant and have been a great support for clients with substance use issues. Having an additional location in Wisconsin Rapids would decrease a large amount of barriers that we have experienced with the MAT program; mainly being transportation.

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

- I attended WCA County Leadership virtual meetings.
- Deputies Faith Kenowski and Joy Kraft attended WLTA Title Examiner Courses I & III in Stevens Point.
- Deputy Jill Vruwink celebrated 20 years with the County. I appreciate her dedication and her excellent customer service. Congratulations, Jill!
- I attended the WI Real Property Lister Association webinar on personal property. WRDA worked alongside WRPLA creating procedures and a document template that ensures county compliance with the law. My office will work with RPL Nancy Marti as these documents are received for recording.
- I attended WRDA Legislative committee meeting virtually. We continue to monitor SB-274. This Bill decreases the real estate transfer fee from 30 cents to 20 cents per \$100. Then has a staggered disbursal over 4 years. The County will retain 30 percent of fees in 2023 and 2024, 40 percent of fees in 2025 and 50 percent of fees in 2026 and each year thereafter. WRDA voted to oppose this Bill as written.
- I attended PRIA webinar: Education Programs – See What’s Coming.
- I will be attending WRDA board meeting on December 7th in Weston; which means I am unable to attend the Judicial and Legislative committee meeting. Please feel free to reach out with any questions.

Wood County Opioid Settlement Plan December 2023

Background

Over 500,000 people have died from opioid overdose since 1999. Unfortunately, the crisis worsened during the COVID-19 pandemic. An estimated 106,000 people died from opioid overdoses in 2020, more than in any other year (Johns Hopkins Bloomberg School of Public Health).

On February 25, 2022, the Wisconsin Department of Justice announced the final approval of an agreement with the nation's three major pharmaceutical distributors (Cardinal, McKesson, and AmerisourceBergen) and Johnson & Johnson. Payments from the distributors will continue for 18 years. Payments from Johnson & Johnson will continue for nine years. Wisconsin Act 57 allocates 30% of settlement proceeds to the Wisconsin Department of Health Services (DHS). The remaining 70% of the settlement proceeds will be provided to local governments that were party to the litigation. Act 57 requires DHS to submit a plan to the Joint Committee on Finance for expending opioid settlement funds by April 1 annually. Wood County expects to receive approximately \$1.5 million over 18 years from this initial settlement. Future settlements from additional sectors are also expected. Local settlement dollars (70% to local governments) do not have a timeline for when funds must be spent.

In November 2022, Wood County convened an Opioid Task Force made up of several community stakeholders to discuss how Wood County could best utilize the incoming settlement dollars. Using *Exhibit E: List of Opioid Remediation Uses*, the Task Force completed a community assessment of existing programs, resources, and efforts already in place, while identifying gaps in resources, services, and funding (Appendix A). The Task Force held additional meetings to complete and utilize findings from the assessment to form recommendations on how to allocate funding from Wood County's Opioid Settlement, using the categories identified by the Wisconsin Department of Health Services: Prevention, Harm Reduction, Criminal Justice, Treatment, Recovery, and Communication/Stigma Reduction.

Task Force Members (past and present):

Wood County Sheriff Department: Sheriff Shawn Becker, Chief Deputy Quinten Ellis, Lieutenant Scott Goldberg

Wood County Human Services: Mary Solheim

Wood County Health Department: Sue Smith, Kristie Egge, Ashley Normington, Jacob Wagner

Marshfield Clinic Health System: Meagan Barnett, Emily Loertscher

Family Health Center of Marshfield: Danielle Luther

Three Bridges Recovery Wisconsin, Inc.: Elizabeth Walter, Megan Birginal
Wisconsin Rapids Public Schools: Craig Broeren
Wood County Adult Drug Treatment Court: Ryan McMillen
Wisconsin Rapids Fire/EMS: Division Chief Justin Pluess
Wood County Criminal Justice: Caitlin Saylor
Wisconsin Department of Corrections: Adam Stublaski
Marshfield Area Coalition for Youth (MACY) Drug Task Force: Elizabeth Gosse, Officer Derek Iverson

Wisconsin's plan for the State's 30% Share of the Opioid Dollars:
State Fiscal Year 2023 approved budget (\$31 million)

The strategies listed below were approved by the Joint Committee on Finance.

- School-based prevention programs: \$250,000
- After-school prevention programs: \$750,000
- NARCAN® and fentanyl test strips: \$5,000,000
 - Wood County awarded funding through NARCAN Direct Program
 - Wood County awarded funding through Fentanyl Test Strip Direct Program
 - Wood County awarded funding for 2 Public Health Vending Machines
- Medication-assisted treatment: \$2,000,000
- Hub-and-spoke health home pilot program: \$1,000,000
- Room and board costs for Medicaid members in residential substance use disorder treatment: \$2,500,000
 - Wood County awarded \$58,550
- Renovations or construction of care and treatment facilities: \$10,000,000
- Overdose alert system: \$500,000
- Tribal nation needs: \$6,000,000
 - *Ho-Chunk Nation awarded \$553,421 (*part of tribal nation falls within Wood County)
- Law enforcement agency needs: \$3,000,000

State fiscal year 2024 Plan (\$8 million)

Wisconsin DHS expects to receive \$8 million in opioid settlement payments in state fiscal year 2024. The Joint Committee on Finance approved a modified version of their plan for this funding June 16, 2023. The plan invests:

- \$2,900,000 for the distribution of fentanyl test strips and NARCAN® through our Fentanyl Test Strip Direct Program and NARCAN® Direct Program, as well as leave behind programs operated by emergency medical services agencies.
 - Wood County awarded funding through NARCAN Direct Program
 - Wood County applied for Fentanyl Test Strip Direct Program – awards not announced
- \$2,500,000 to cover room and board costs for Medicaid members receiving residential substance use disorder treatment.
- \$2,000,000 to support the cost of medication-assisted treatment for people with an opioid use disorder.
- \$300,000 for a substance use disorder treatment directory known as Atlas, which is managed by Shatterproof.
- \$300,000 for training surgeons on practices to prevent opioid misuse following surgery through a program operated by the Surgical Collaborative of Wisconsin.

Wood County Opioid Task Force Recommendations

The Task Force recommends allocating all of Wood County's Opioid Settlement allocation received between now and September of 2024 to the construction of a Federally Qualified Health Center in Wisconsin Rapids. This will amount to \$550,000 in the fall of 2024.

Funds will continue to be dispersed through 2038. The most current estimated schedule shows about \$148,000 to be distributed in 2025, followed by \$89,000 in 2026. The amounts remain similar to that until about 2033, when distributions decrease to about \$64,000, ultimately ending with \$52,600 in 2038.

The Task Force recommends the following allocation plan for Opioid Settlement funds received in 2025 forward:

- Prevention- (could include Social Determinants of Health - education, housing, transportation, neighborhood and built environment, economic stability) 15%
- Harm Reduction 15%
- Criminal Justice 15%
- Law Enforcement 15%
- *Treatment 0%
- Recovery 15%
- Community Grants 15%
- Evaluation/Communication/Stigma reduction 10%

*2026 and beyond will include a percentage allocation for treatment, in 2025 zero percent was allocated with 100% of the funds going to this priority in 2024.

Annual Plan Development and Approval

The Task Force will meet in June 2024 to develop a budget for 2025 that will be shared through the Health and Human Services Committee, Operations Committee, and County Board, through the regular budget process. Members of the Task Force can also bring it to their oversight committees before final approval (for example, Sheriff can share plan with Public Safety Committee, and the Criminal Justice Coordinator can share plan with Judicial and Legislative Committee). This process will be done annually through 2038. The Task Force will put together detailed plans for each priority area with a line item budget for each category of funding that will be identified based on the above community assessment. This annual budget process will allow for fluctuations in funding received and the potential for adding in additional funds from new settlements.

For the Community Grant allocation, additional individuals will be asked to participate in determining funding awards, with an effort to include those who serve or are led by people who have lived experience. The Task Force will create a simple Request for Applications that organizations can complete to apply for funds. The Task Force will review the submissions with the plan of releasing funds at the beginning of each calendar year. The Task Force may adjust the percentages based on funding requests.

RESOLUTION NUMBER 23-2023

**Resolution in opposition to Wisconsin Legislative Reference Bureau 2023 Bill
Proposal LRB-3518/1**

The County Board of Supervisors of Green Lake County, Green Lake, Wisconsin, duly assembled at its regular meeting begun on the 14th day of November, 2023, does resolve as follows:

- 1 **WHEREAS**, a proposed bill to amend and create statutory authority regulating
- 2 wakesurfing and wakeboarding has been created in the form of LRB-3518/1.
- 3 **WHEREAS**, said bill proposes to create restrictions specifically on wakeboarding and
- 4 wakesurfing on Wisconsin waters.
- 5 **WHEREAS**, said bill would significantly hinder a local municipality's ability to create and
- 6 pass its own laws, tailored to address its own unique, local issues.
- 7 **WHEREAS**, said bill would establish parameters at the state level that would apply the
- 8 same to all Wisconsin waters, regardless of size and circumstances.
- 9 **WHEREAS**, said bill fails to mention any scientific data supporting its proposed actions.
- 10 No fiscal impact anticipated.
- 11 Majority vote is needed to pass.

12 **NOW THEREFORE BE IT RESOLVED**, that the Green Lake County Board of
13 Supervisors recognizes that wakeboarding and wakesurfing possess the potential to
14 impact multiple public waters located within Green Lake County.

15 **BE IT FURTHER RESOLVED** that the Green Lake County Board of Supervisors does
16 not support 2023 LRB-3518/1 in its current form.

17 **BE IT FURTHER RESOLVED** that the Green Lake County Board of Supervisors prefers
18 for local municipalities to maintain a higher degree of autonomy in addressing this issue.

19 **BE IT FURTHER RESOLVED** that the Green Lake County Board of Supervisors
20 believes that any proposal be based upon reliable, scientific findings and that any
21 proposed legislation refer to the same.

22 **BE IT FURTHER RESOLVED** that a copy of this resolution be sent to all counties,
23 Wisconsin Counties Association, the legislature, Governor, and secretary of the DNR.

Resolution 2023- 27

RESOLUTION ON ENHANCED WAKE REGULATIONS

WHEREAS: the lakes of Sawyer County, Wisconsin are integral to the recreational base of the economy in Sawyer County.

AND WHEREAS: Legislation has been proposed to regulate wakesurfing and wakeboarding,

AND WHEREAS: the legislation as currently written fails to set minimum standards for the protection of private property, public safety and enjoyment, and aquatic environments,

AND WHEREAS: several towns in Sawyer County have already set standards that use evidence from aquatic and engineering studies which protect shorelines of lakes in Sawyer County from erosion by these enhanced wakes,

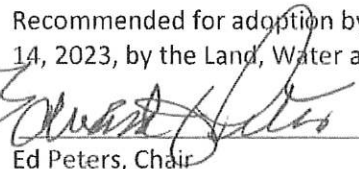

AND WHEREAS: the legislation fails to include a standard related to wake depth that would protect water quality in lakes from scouring by enhanced wakes,

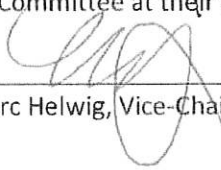

AND WHEREAS: The legislation repeats standards already in place in other statutes,

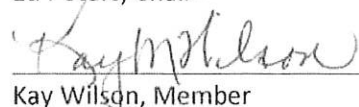

THEREFORE, be it resolved that the Sawyer County Board of Supervisors does recommend that the Wisconsin Legislature engage in meaningful discussions to pass standards that balance the right of everyone to recreate on waters of the State of Wisconsin, by affirming that;

Wisconsin's local governments deserve local control to set their own standards beyond state minimums, of at least 700 feet from the shore, and to prohibit enhanced wake creation in waters shallower than at least 30 feet in depth.

Recommended for adoption by the Sawyer County Board of Supervisors at its meeting on November 14, 2023, by the Land, Water and Forest Resources Committee at their November 8, 2023 meeting.
