PARKS AND
FORESTRY
DEPARTMENT

October 24, 2023

NEWS RELEASE

The Wood County Parks and Forestry Department would like to give public notice that South Wood County and North Wood County Park campgrounds will close for the season on October 31st.

Dexter County Park campground will remain open until November 27, 2023. The 2nd and 3rd loops will remain open during this time and will be available for camping by reservation only. Dump stations are still available but all water filling stations have been shut down for the season. Dexter has a heated shower building that will remain open until closing.

We have two shelters available to rent during the winter months. The ATV Intensive Use Area and NEPCO Lake County Park shelter buildings are both available to rent throughout the year. Please visit our online reservation system to check availability and reserve for your special event.

We would like to thank everyone who came out and enjoyed camping and other various recreational activities in our parks this season and we hope to see you again next year. As a reminder, camping and shelter reservations can be made one year in advance. So make those reservations today!

Have a safe, fun, and snowy winter! Watch for notices pertaining to the opening of our multi-use groomed trails, snowmobile trails, and the Powers Bluff Winter Sports Recreation Area.

Check us out on Facebook & Instagram.

Stacie Kleifgen, Wood County Parks & Forestry
Office Supervisor
