Remarks:

Tablets: In the latter part of January, I sent an email to IT looking for an update on the tablets that had been purchased approximately four months ago. Based on my meeting with IT in December, I was expecting that we would be in the testing phase by now since they had asked me who would be best to give the initial tablets to for testing. I also inquired if the tablet

idea was going to work and if not, to let me know. The response I received was that there was still programming and updates to be done but no in service date was given. At this point, I have no honest answer as to when we will achieve our goal of getting county information off of the personal computers of the deputies. My goal is to pass around a USB storage unit to all deputies and have them download all of 2022 and any previous information from their computers so that I can upload it to the coroner file on my county computer thus hopefully eliminating some potential risk.

Jackets and Badges: All five jackets and both badges have been ordered. All jackets are scheduled to arrive on 02/07/2022 and I plan to get them to the deputies for use. The two badges will arrive in about four weeks as they are individually made by the company. Thank you for your support with the jackets and badges.

On Friday January 6th, 2023 Milwaukee Police Officers attempted to stop a stolen vehicle in the City of Milwaukee. The vehicle fled from the stop, and officers pursued. During the pursuit, the occupants of the fleeing vehicle fired shots at the officers and subsequently got away. The fleeing vehicle was located abandoned in Milwaukee. The Milwaukee Police Department Homicide Unit and Special Investigations Division conducted the investigation and identified two subjects who were involved in the incident. Those individuals were tracked to an address in Wisconsin Rapids, WI.

Milwaukee PD investigators reached out to the Wood County Sheriff's Department for assistance in locating and arresting these subjects. On January 10th, 2023 our detectives and officers met with members of the Wood County SWAT team, Wisconsin Rapids Police Department, the Grand Rapids Police Department, the Marshfield Police Department, the Wisconsin Rapids Fire Department, and the United Emergency Medical Response ambulance service. A team of approximately 50 officers was assembled and helped with the apprehension of three wanted subjects through the execution of a search warrant at 5810 73rd St S in Wisconsin Rapids. The response was overwhelming and impressive. This team utilized two MRAP vehicles, drones, counter snipers, K-9 units and SWAT personnel to safely take these individuals into custody. Further, the weapon used to shoot at the officers was located during the search of the residence.

The cooperation and collaboration demonstrated by the Wood County Sheriff's Department, Wisconsin Rapids Police Department, the Grand Rapids Police Department, the Marshfield Police Department, the Wisconsin Rapids Fire Department, and the United Emergency Medical Response ambulance service with our department was remarkable. The Milwaukee Police Department is grateful for these partnerships and should the need arise in the future, we would be honored to return the hospitality we were shown.

Sincerely,

Jeffrey B. Norman

NEWS RELEASE
January 13, 2023

On January 6, 2023 the Milwaukee Police Department was involved in a vehicle pursuit with a stolen vehicle. During that vehicle pursuit suspects began shooting at officers who were involved in the pursuit. The pursuit was terminated by the Milwaukee Police Department and they started an investigation into identifying the shooters.

Milwaukee Police Department Detectives contacted the Wood County Sheriff's Department Investigations Division on January 10, 2023 as they had developed information on individuals within Wood County in connection to the shooting and vehicle pursuit. The Milwaukee Police Detectives worked with the Wood County Sheriff's Department Investigators to pinpoint and locate the residence within Wood County where the suspects were staying.

On January 11, 2023 the Wood County Sheriff's Department Special Response Team, Marshfield Police Department Special Response Team, Wisconsin Rapids Police Department Special Response Team, Grand Rapids Police Department, and Milwaukee Police Department executed a search warrant to apprehend Afrishawn Detrick (Age 21), and Tyshe'onna Jones (Age 21) in the Town of Grand Rapids, Wood County, Wisconsin. Shortly before 1 PM on January 11, 2023, both Detrick and Jones were taken into custody and are being held in the Milwaukee County Jail.

This is a good example of a joint investigation between multiple agencies throughout the State of Wisconsin. It was impressive to see how smoothly the largest law enforcement agency in the state worked with local agencies here in Central Wisconsin. The sizes of the departments may be drastically different but it was clear that we all have the same goal to serve our communities.

Below is a link that contains media coverage from the Milwaukee area regarding the seriousness of the offense that prompted our response. This is an example of how dangerous and unpredictable the law enforcement profession is.
