Shape the Future of Our County!

Help us plan for the next 20 years!

Wood County is updating its Comprehensive Plan, and we want to know your priorities for roads, housing, parks, and local businesses. Tell us what you love about our community and what you want to see improve.

Please take a few minutes to share your vision for our community by taking a short survey by visiting https://www.surveymonkey.com/r/G5TCHV9, scanning the code or picking up copy at the Planning & Zoning Office in the Wood County Courthouse by January 15, 2027.

Why Does a Comprehensive Plan Matter?

Think of it as a blueprint for our county's future. It guides local officials on where and how our community should grow, protects our natural resources, and helps us win grant funding for major public projects.
